

Palliative Care Pharmacies

NHS Cambridgeshire aim to provide immediate and consistent access to palliative care and other specialist medication across Cambridgeshire.

Below is a list of specialist palliative care community pharmacies that have made a commitment to ensure that anyone who needs this service has prompt access to the medication they require at all times. The list of pharmacies includes a number with extended opening hours, good accessibility and parking in Cambridgeshire.

These pharmacies have been contracted by NHS Cambridgeshire to stock an agreed list of specialist medication to supply to you on receipt of a prescription during normal business hours.
